1417 EAST 25th STREET • CLEVELAND, OHIO 44114

PHONE: (216) 771-3929

FAX: (216) 771-1572

Due to the current increase in COVID 19 cases and recommendations from the State Health Department, the Cement Masons Local 404 Training program is suspending all in person classes for the 2020-2021 class year.

Class will remain in session following the normal schedule of events, but class will be presented remotely. All Journeyman upgrade classes will be presented remotely, "online", and there will be no in person training.

In order to attend training, you will need to register in advance by contacting Barry DiJulius, the Instructor for the training program. He will then provide you a link to the class once you have registered. You can reach him by his cell phone at (440)-773-7106 or by email at [barry@cementmasons404.com](mailto:barry@cementmasons404.com).

All classes will begin online at 8 A.M. on the class day.
